

March 10, 2015

Dear Jeff:

I have received your letter of February 13, 2015 expressing the wish of the Arkansas High Performance Computing Center (AHPCC) to participate in the XSEDE Federation as a Level 3 Service Provider (SP) through its delivery of advanced computing resources and computational science expertise to Arkansas researchers. Your letter has been reviewed with the XSEDE Senior Management Team and we are very pleased to inform you that we approve your request for membership in the XSEDE Federation as a Level 3 Service Provider.

With this letter, on behalf of the XSEDE Program, I affirm XSEDE's understanding of the mutual responsibilities of XSEDE and SPs as documented in the "Requesting Membership in the XSEDE Federation as a Service Provider" document (version 2.0, dated 10 July 2014, at: <http://hdl.handle.net/2142/49981>) and commit to fulfill our obligations as described therein. In the event that you have an issue with XSEDE's performance, please contact me directly. Similarly, if we perceive an issue, we will contact you. In either case we commit to work with you to resolve any issues. XSEDE looks forward to working with you and your staff at the AHPCC to advance the mission of XSEDE and the NSF in advancing the nation's research capability.

Sincerely,

John Towns  
PI and Project Director, XSEDE
